WELCOME TO GILT CLUB AT HOTEL GOTHAM

GILT is an exclusive, underground function & event space found deep inside the former vaults of 100 King Street. GILT is atmospherically reminiscent of the famous Parisian 1920s & 30s cabaret clubs and the secret bars of prohibition. GILT is an intimate venue where you can immerse yourself into a secret world of speakeasy... Gatsby, Jazz, Big Band...or cinema, private dining, board meeting. Versatile, unique, indulgent...

GILT could possibly hold a number of meanings; gold, financial bonds, or...guilty pleasures - which GILT will you be looking for?

NOT QUITE A BIG BAND GATSBY, JAZZ, SWING

The NQBB – is a new-wave Big Band, compiled of Manchester’s most exciting professional musicians from a diversity of musical backgrounds. Since its inception, The NQBB has quickly risen to cult stardom, having performed sell-out shows in some of Manchester’s most vibrant and in-demand venues. Whether it is Sinatra and Bublé or Jay-Z and Chase & Status, The NQBB defines versatile entertainment. Watching the country’s most talented musicians seamlessly transition between playing Big Band classics like Feeling Good to some of this century’s biggest hits is truly a spectacle like no other. As The NQBB thrives off pushing the status quo and exploring genre boundaries, it has redefined what is expected of traditional Big Bands which were first seen in the jazz halls of the United States in the mid-twentieth century.

NQBB is proud to be a resident band at GILT Club at Hotel Gotham, Manchester.
