WELCOME TO HOTEL GOTHAM

Set in the heart of Spring Gardens, originally founded as the Midland Bank, Hotel Gotham - also known as '*The King of King Street*' is one of the city's grandest buildings, designed by iconic architect Edwin Lutyens. The Grade II listed building has been painstakingly restored, retaining original period features. It is the perfect 5-star setting for your meeting, private dinner party, corporate event, birthday celebrations, or wedding reception.

At Gotham, we pride ourselves on our sense of decadence, whilst offering a modern and comfortable experience. We truly see the importance of luxury, style, and balance and with this, we are not too taken by the idea of compromise.

Our private hire spaces can comfortably accommodate between 10 and 140 guests with a wonderful range of food and drinks menus created by our award winning, AA Rosette, kitchen team and a fantastic bar team.

HONEY RESTAURANT

Our 6th-floor restaurant is a nod to our banking past with bowler hat displays, green glass wall lamps, and typewriters adorned on the walls. Our menus and cocktails reflect the building's Art Deco heritage and are sourced from local suppliers. We have created a restaurant with an atmosphere, a menu with a bit of bite, and a name to get you thinking sweet thoughts, our extensive wine list and not forgetting some delicious views too.
